Artists Open Houses

Christmas 2018

The Christmas Artists Open Houses create a special atmosphere, where you can chat to artists and makers in their homes and studios, whilst viewing a spectacular selection of individual, unique arts and crafts.

The festival is also a community event and includes artists with learning disabilities, artists who have experienced periods of homelessness and a group representing creative ageing activities, alongside established, professional artists and makers, as well as young and emerging artists. There are craft-learning workshops and activities for children such as puppet shows and story telling, alongside artworks ranging from ceramics, jewellery, print-making, photography and home-wares, to handcrafted Christmas cards, wreaths, tree decorations and homemade foodie gifts.

This Christmas you can visit artists from Poland, Scandinavia, Spain and Germany to sample European artwork and delicious regional treats. The Artists Open Houses Christmas festival offers the perfect opportunity to pick up a unique and original Christmas gift for friends, family (or for yourself!) and is a great way to kick off the festive season.

Throughout Brighton & Hove and beyond, artists are opening their doors to welcome you inside – so why not take a break from the High Street, to shop in warmth and comfort, with a glass of mulled wine and a mince pie, beside a blazing hearth.

Don't forget to visit: www.aoh.org.uk where you can find out more about Artists Open Houses. You will also find links to many of the artists' and makers' own websites.

Be sure to check **opening times** of all Open Houses in their individual listings. Although the most popular opening times are between 11am and 6pm, Saturdays and Sundays, some venue opening times and days may differ.

Many Open Houses take **payment** by card – but remember to check out your AOH brochure for payment symbols in each venue listing – and take a cheque book and /or cash to be on the safe side!

The majority of houses are ordinary homes and may not have **disabled access**. Please check with venues individual brochure listings, and take a look at our 'disabled access' website section.

Refill with AOH Xmas 2018

AOH is partnering with nationwide water campaign Refill to provide tap water for water bottle refills in many Open Houses.

Look out for the  Refill symbol on participating venue listings.

Refill, which began in 2015, aims to reduce plastic pollution by making it easier for people to reuse and refill their bottle with free tap water whilst on the go. There are now over 13,000 Refill Stations in the UK and we are delighted to partner with Refill and participate in this initiative.

By the Sea screen-printed glass: Suzanne O'Leary (photo: Flare Studio)

Open every day, Little Beach Boutique is a glass studio and independent shop in the North Laine. It showcases a handpicked selection of gifts, jewellery, art and homeware by Brighton and UK based artists and makers. We design and produce our own range of screen-printed and kiln formed glass on site, including coasters, dishes and wall panels, all with a distinctly coastal feel, and we run regular glass fusion workshops.

Take a tour round the gallery and workshops of award-winning jewellery designers **Pruden and Smith**. The gallery will be showing a special exhibition of their distinctive jewellery made with unusually cut precious and semi-precious gems. Perfect Christmas gift purchases. Also on show a collection of fascinating unset gemstones just waiting for your unique design.

See one-off designs being made in gold, platinum, diamonds and precious gems. In the gallery a huge range of design sample concepts can be seen to inspire you. Re-use your own gold and gems, have your old jewellery redesigned or commission a brand new piece from scratch. From engagements and weddings, special anniversaries and birthdays, to commemorative jewellery for a loved one who has passed, why not commission something unique?

Book your free appointment with designer **Electra Rebecca Smith** or **Suzy Dunford-Gent**. They will sketch your ideas, offer advice and a quotation. If you're quick, there's still just about time to deliver for Christmas!
