ARTISTS OPEN HOUSES XMAS 2017

The Artists Open Houses Christmas Festival is a great way to take the strain out of Christmas shopping. Spreading to the furthest reaches of Brighton and Hove and out to the South Downs village of Ditchling, a visit to the Artists Open Houses is the perfect way to kick off the festive season.

Throughout the city, artists open up their homes and studios welcoming you inside. The wealth of established and professional artists and makers, as well as new and emerging artists, offers the perfect opportunity to pick up a unique and original Christmas gift for friends, family - or for yourself! This year brings work from some of the country's top makers in the fields of ceramics, jewellery, print-making and home-wares, as well as handcrafted Christmas cards, wreaths, tree decorations and homemade foodie gifts.

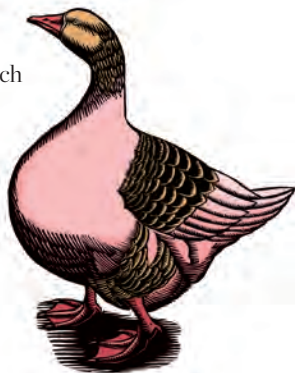

Christmas Artists Open Houses create a special atmosphere, where you can chat to the artists whilst viewing an amazing selection of individual, unique arts and crafts. Take a break from the High Street and shop in warmth and comfort, with a glass of mulled wine and mince pie, beside a blazing hearth!

Don't forget to visit www.aoh.org.uk where you can find out more about the Artists Open Houses. You will also find links to many of the artists' and makers' own websites.

Be sure to check **opening times** of all Open Houses in their individual listings. Although the most popular opening times are between 11am and 6pm, Saturdays and Sundays, some venues' opening times and days may differ.

Most Open Houses are able to take **payment** by card – but remember to check in the brochure for payment symbols in each venue listing, and perhaps take a cheque book and/or cash to be on the safe side!

The majority of houses are ordinary homes and may not have **disabled access**. Please check with venues individual brochure listings, and take a look at our 'disabled access' website section.

Coastal Houses Ronnie Millward

Ronnie Millward: Since an early age my artwork has been inspired by the creative atmosphere of the coast. A move to Brighton in 2013 opened up a new phase in my mixed media art, through the use of recycled materials. Through beach combing the Sussex coast, the washed up items of weathered and recycled timber and other finds are used to make my boats, articulated fish and coastal houses, which are then finished with eco friendly paint from Farrow & Ball.

Farrow & Ball is thrilled to be teaming up with a talented local artist who uses our paints in his work. Our shop showcases the entire collection of Farrow & Ball paint colours and artisanal wallpaper designs. Our experienced team is always available to offer complimentary colour advice and decorating schemes.

23 Bailey Contemporary Arts

The Promenade, 46/47 Kings Road Arches, Brighton BN1 2LN

Clockwise: Peter Spence, Furusabae Designs, Tiffany Lynch, Richard Marsh, Kim Dooson

Art, Mind and Home

Art can be meaningful and still match your decor!

Bailey Contemporary Arts is not just another art gallery. We believe that art should be affordable, enhance your state of mind, convey an emotion between creator and purchaser and of course, match your home! You really can have it all and our Art, Mind & Home exhibition, which runs for the duration of this year's Artists Open Houses Christmas Festival, is especially curated to show just that.

We support new and emerging artists, working across all media, which makes our pieces attractive to collectors and investors, but also means we truly have something for everyone.

A pebble's throw from the iconic West Pier, facing the sea, Bailey Contemporary Arts provides an inspiring space in which you'll hopefully find your next favourite artwork, a thoughtful gift or a self indulgent treat.

28 Little Mustard Shop

33 Clifton Hill, Brighton BN1 3HQ

A tub full of cheer: Sam Toft

An exciting new venue for **Sam Toft** and Friends in a dear little shop right at the top of Clifton Hill. New artists, new gifts, delicious Christmas flapjacks and the warmest of welcomes. And if we're a bit full when you visit (did I mention it's only little?) you could always have a nice bit of lunch at the Crescent Pub opposite.

Little Christmas hampers, 2018 calendars, stripy socks, new china mugs, handmade cushions, sketch books, Christmas cards, limited edition prints, canvasses, framed drawings, hand knit scarves, jig dolls, jigsaws, dinosaurs, badges, Brighton rock, paintings on wood... all sorts of lovely gifts from £1 to £500. Organic soaps and candles, books, aprons, canvas bags... But we haven't really got any dinosaurs, sorry.

And a minute's walk downhill from the shop is the Dog and Bone Gallery. Two old locked up phone boxes side by side at Powis Square. Dog and Bone will house a changing programme of exhibitions throughout the year, opening 25th November 2017. Please join us at the Little Mustard Shop or on Facebook and Instagram through our website for details of our exhibition programme or to put in a submission for 2018.

Curious? Come visit our little shop and we'll tell you all about it. We'd love to see you.

Special thanks to Eddie at Red Kiosk Company and all at the Powis Square Community Association.

52 The Grange Gallery

The Green, Rottingdean BN2 7HA

Carol Lawson

The art on show is perfect for gifts: small and beautiful paintings, drawings, photography, prints, textiles, jewellery, felted crafts. Something for friends and family on the Christmas gift shopping list – and many Christmas cards by local artists to choose from.

The Grange gallery is in the former Georgian home of artists Ben Nicholson and William Nicholson in the historical, picturesque village of Rottingdean. There is a lovely atmosphere at this time of year in the house and garden designed by Jekyll and Lutyens. Visit the gallery, enjoy lunch at a village pub or tea shop, breathe in the sea air and visit St Margaret's to see the beautiful Edward Burne-Jones stained glass windows.

53 Pruden and Smith

Pruden and Smith, 2 South Street,
Ditchling BN6 8UQ

Pruden and Smith are designers and craftsmen in precious metals whose passion for contemporary design shows in everything they do. Their gallery and workshop, on Ditchling Crossroads showcases their work in gold, platinum, and silver incorporating diamonds and unusual gemstones from all over the world. Over the last 30 years their complete precious metal design-to-make service, from engagement rings to chalices, has delighted customers worldwide. This year's Christmas collection features hand cut Tanzanite, Lapis lazuli and Labradiorite.

They also incorporate or redesign your existing jewellery in a process called 'A Precious Legacy'. Designer Rebecca Smith takes inspiration and materials from your jewellery collection to generate designs for new pieces. It ensures that your jewellery is enjoyed and worn whilst maintaining the sentimental connection to past pieces.

During the festival, take a tour of their workshops then follow it with a visit to Ditchling Museum of Art and Craft, which features the work and tools of Anton Pruden's grandfather Dunstan, silversmith with the Guild of St Joseph and St. Dominic.
